This application is made in accordance with the following description, the plans and plat diagram presented herewith showing the actual dimensions of the lot to be built upon, the exact sizes and locations on the lot of the buildings and accessory buildings then existing and the lines within which the proposed building and structure shall be erected or in future is intended to be used (as a single family dwelling)(as a multifamily dwelling) or for the use set out hereinafter I understand that the granting of a permit is only a determination that the application is not in violation of any zoning classification or restriction and the required fee is paid. Further, that the issuance of a permit is not an expressed or implied warranty or assurance that the proposed location if the improvement lies outside of all public and private easement, or that site selected is not within a dedicated public or private right of way wherein a utility may hereafter be located. I further understand that a permit is valid for six (6) months from the date of approval thereof. This permit is not and shall not be construed to be a consent, approval, license, or permit to operate the business or use proposed if a license or permit may otherwise be required by ordinances of the City or statutes of the State of Illinois. I further understand that all phases of construction may require an inspection by the Building Official, that it is my/our responsibility to inform the Official of inspections, and that phases requiring inspections will not be enclosed or altered to prevent said inspections. Further, The undersigned hereby certifies that all information submitted in application for this permit is true and correct and that the applicant will carry out all construction in accordance with the plans and specifications submitted herewith and in accordance with the Greenville Zoning Ordinance, 2003 International Building Codes, and other applicable State and City Codes and ordinances.

All building material must be hauled away by Doty Sanitation because they have a contract with the City.
