

## **Plumber**

**Pay:** \$22.00 - \$50.00 per hour

### **Job description:**

#### Job Summary

We are seeking a skilled and dedicated licensed plumber or 3rd/4th year apprentice to join our team. The ideal candidate will be responsible for installing, repairing, and maintaining plumbing systems in residential and commercial settings. This role requires a strong understanding of plumbing codes, excellent problem-solving skills, and the ability to work independently or as part of a team.

#### Responsibilities

- Install, repair, and maintain pipes, fixtures, and other plumbing systems.
- Read and interpret prints to determine the layout of plumbing systems.
- Perform pipe threading as necessary for various installations.
- Utilize hand tools and power tools effectively to complete plumbing tasks.
- Conduct routine inspections of plumbing systems to identify issues or potential problems.
- Collaborate with HVAC professionals to ensure integrated system functionality.
- Provide excellent customer service by communicating effectively with clients regarding plumbing issues and solutions.
- Maintain a clean and safe work environment in compliance with safety regulations.

#### Experience

- Proven experience in construction or residential plumbing is preferred.
- Strong mechanical knowledge with the ability to troubleshoot various plumbing issues.
- Experience using hand tools, power tools, and plumbing equipment is highly desirable.
- A background in carpentry is a plus, enhancing overall project capabilities.

Join our team and contribute your expertise in plumbing while enjoying a dynamic work environment that values skill development and professional growth.
