Applicant(s) hereby agree(s) and warrant(s) that the connection herein requested to the Greenville water system will be in compliance with all city ordinances and the State of Illinois Plumbing Code. Applicant(s) agree(s) to pay the city for the actual cost of the meter, connection parts and road crossing costs involved in making said connection. It is understood that the city will have ownership of this connection up to and including the meter pit. The applicant(s) will be responsible for all plumbing and fixtures from the point of connection to the meter onward and within owner's property. Applicant(s) further agree(s) to comply with all city ordinances regarding the utilization of city water service. Applicant(s) acknowledge(s) that payment of the tap-on fee is to be made at the time of application. The cost of the meter, meter pit, connections parts, and road crossing and/or boring will be billed to the applicant after the installation.
