## Press Release

### For Immediate Release

Greenville, IL - August 13, 2019

### *City of Greenville Offers Dumpster Site for Clean Up*

The City of Greenville will offer a dumpster drop off site to assist residents in their clean up following the recent heavy rainfall. A dumpster will be available on the empty lot at Third Street and Water Street. Residents may place any water damaged furnishings or building materials in the dumpster. ***Please note: ALL items must be placed in the dumpster.*** Items that are not allowed include batteries, landscape waste, major construction material, oil, paint, and tires. The dumpster will remain to assist in clean-up efforts through the end of August. Questions may be directed to the Greenville Municipal Building at 664-1644.
