

Public Notice

Notice is hereby given that the Consumer Confidence Report regarding the Annual Drinking Water Quality for the period January 1 to December 31, 2016 is posted at the Greenville Municipal Building located at t 404 South 3rd Street, Greenville, Illinois 62246. The report is available for inspection or copies are available upon request. The Consumer Confidence Report includes basic information on the source(s) of drinking water, the levels of any contaminants that were detected in the water during 2016, and compliance with other drinking water rules. Reports are provided to all utility customers with their April utility statement. For more information call the Greenville Municipal Building at 618-664-1644.
