# Welcome to Greenville, Illinois

Founded September 17, 1872

- Have you recently been transferred?
- Are you looking for a new community to call home?

**You have come to the right place!**

The City of Greenville, Illinois is located about 45 minutes east of the Mississippi River & downtown St. Louis on Interstate 70. Greenville is truly a "modern" small town. Greenville has been hailed as "a Norman Rockwell town," or "a town for all seasons" -- especially by those who have chosen to make Greenville the home for their families or their businesses.

Greenville is close enough to a major metropolitan area to enjoy access to cultural events, shopping, professional and amateur sports, and other amenities, yet embrace the advantages of a rural setting with a lack of congestion, pollution and crime.

The community welcomes and supports new residents and businesses with open arms.

Following are answers to many of your questions. If we have not answered your questions, please call our Municipal Building at 618-664-1644 and we will assist you personally!
