

Special Council Meeting  
of the City of Greenville  
held in conjunction with Bond County  
Board at Bond County Courthouse  
on Tuesday, December 18, 2018

**Call to Order:** A special meeting of the Greenville City Council was called to order on Tuesday, December 18, 2018 at 7:15 p.m. by Mayor Alan Gaffner.

**Roll Call:** Present: Mayor Alan Gaffner, Councilman Bill Carpenter, Councilman Mike Heath, and Councilman Kyle Littlefield

Councilman John Gillard joined meeting at 7:35 p.m.

Also Present: City Attorney Patrick Schaufelberger, City Manager Dave Willey and City Clerk Sue Ann Nelson.

**Notice of Meeting:** Notice of the special meeting having been given as provided by law, said meeting was called for consideration of the following agenda:

- 1) Roll Call
- 2) Public Comment
- 3) Intergovernmental Agreement with Bond County for Animal Control

**Public Comment:** None.

**Intergovernmental Agreement for Animal Control:** The City Council joined the Bond County Board meeting at 7:15 p.m. when the Bond County Board reached the Animal Control Intergovernmental Agreement agenda item. City Manager Willey and County Board Chairman Elmore provided some background information regarding the existing agreement, previous discussions and the desired intent of the new agreement. Chairman Elmore suggested that the County Board's audit report be used to determine prior year's (2016, 2017 and 2018) cost sharing based on annual animal control revenues less expenses reflected in the audit report, then adjusted for the city portion of paid animal control expenses. It was the consensus that final determination of the amounts would be worked out by the County Clerk and City Finance Director. The agreement was written with each entity to share equally in the revenues and expenses, and the final cost for animal control would be split equally. After some discussion and input from the City Attorney and States Attorney, it was the consensus of the two boards. The Bond County Board voted and approved the Intergovernmental Agreement as presented. Motion by
